A message from the Mayor,
Cllr. Ian Gillett

As I'm sure many people are aware, work on preparing a Lostwithiel Neighbourhood Plan has been underway for over a year. The next stage will be to consider the needs of business both now and into the future. This will be a vital part of the plan so the Town Council's Steering Group are working with the Lostwithiel Business Group to carry out this survey. I'm asking for your help. The more accurate our understanding of business in the town the better our chances of producing a viable Plan, please take a few minutes to complete this survey.

Many thanks for your help.

Ian Gillett
